Portland City Code, Section 11.50.040 requires notice to remove trees 36” or greater in diameter. Notices are courtesy in nature only; they do not provide for public comment on the proposal or for appeal of the proposal to the City of Portland. Posted notice is required of tree removal at least 45 calendar days prior to the development permit issuance and must be posted within 10’ of the street lot line nearest the tree or trees to be removed.

Date of posting notice on site: _____________________  Date of the end of the notification period: _____________________
