Short Section of Southwest Montgomery Drive Closed for 4 Days Next Week

PORTLAND, OR – From Tuesday, February 26 through Friday, March 1, 2013, the Portland Water Bureau will close a short section of Southwest Montgomery Drive between addresses 2525 and 2449. Construction work hours are 7:00 AM to 6:00 PM, Tuesday through Friday. Both lanes of Southwest Montgomery Drive will be open after construction hours.

The closure is necessary so that Water Bureau crews can install the final tie-ins as part of the final phase of the Portland Heights Main Replacement Project.

Detour signs will be located to direct traffic around the closure area. Residents on Southwest Montgomery Drive close to the construction zone will be required to access their homes during construction hours from either north or south of the construction zone.

The Portland Water Bureau apologizes for any inconvenience this closure and detour may cause. Your patience and cooperation are appreciated as we work to ensure the community's water needs are met. For more information, contact Terry Black, Public Information, at (503) 823-1168.
