Repairs to Elk Fountain closes one traffic lane on SW Main Street

Portland, OR -- A Portland Water Bureau crew is currently making repairs to the Elk Fountain, located on SW Main Street, between SW 3rd and SW 4th avenues in downtown Portland. SW Main Street is a one-way, two lane street with traffic traveling westbound.

Traffic is reduced to one lane around the work zone. Work hours are 9:00 AM to 4:00 PM. Repairs should be completed by Friday, May 24th.

The Water Bureau crew is repairing minor damage to the historic fountain caused by two past incidents involving automobile collisions.

Motorists and bicyclists are encouraged to take alternate routes.
