

Portland Water Bureau **OUTDOOR IRRIGATION REBATES**

Available Outdoor Irrigation Rebates		Residential	Commercial/Multifamily
Multi-stream Rotator Nozzles		\$3/head (up to 32 heads per account)	\$3/head (up to 96 heads per account)
WaterSense®-labeled Irrigation Controllers		\$100/controller (one per account)	\$500/controller (one per account)

HOW TO GET A REBATE:

- 1 Make sure you are eligible.** Rebates are for any active Portland Water Bureau drinking water accounts in good standing. **Limit of one** controller rebate per account.
- 2 The applicant must** have an approved backflow protection assembly with current backflow inspection results. Backflow assemblies are required to be installed on the water service connections to all landscape sprinkler systems. Backflow assemblies must be tested annually by a state-certified backflow assembly tester. Backflow inspections must be current to receive a rebate. - 3 Select qualifying equipment.** Rebates are for qualifying equipment only and will not cover costs for installation. Rebates are for retrofits and new construction. A list of qualifying equipment can be found on our website: portlandoregon.gov/water/rebate.
- 4 Complete upgrades.** Rebates apply to in-ground irrigation systems with automatic controllers. Irrigation equipment must be installed at the property associated with the Portland Water Bureau account.
- 5 Save receipt.** Rebate applications must include a copy of a sales receipt from a retailer or supply company that shows the purchase date, purchase price, manufacturer, and model information.
- 6 Complete, sign, and submit the Outdoor Irrigation Rebates form** (see reverse). The application must be received within 90 days of purchase date. The total rebate will not exceed the receipt amounts.
Submit the application with the equipment sales receipts or invoice.
Mail to: Portland Water Bureau, 1120 SW Fifth Ave, Suite 405, Portland, OR 97204
Email to: conserve@portlandoregon.gov
- 7 Receive your rebate.** Rebates will be posted as a credit to the water, sewer, stormwater account on record for the property. Rebates are processed as they arrive, but it may take a full billing cycle before the credit is posted to the account. There is a \$3,000 rebate limit per entity per fiscal year. Submit the application with the equipment sales receipts or invoice.
