**WaterSense-Labeled Irrigation Controllers**

The Portland Water Bureau offers rebates for WaterSense-labeled irrigation controllers. To earn the WaterSense label, controllers are independently certified to ensure that they meet the WaterSense criteria for efficiency and performance. Any WaterSense-labeled irrigation controller qualifies for the Portland Water Bureau rebate. To find a controller visit - [https://www3.epa.gov/watersense/product\\_search.html](https://www3.epa.gov/watersense/product_search.html)

*Disclaimer of Endorsement: The City of Portland Water Bureau (PWB) does not design, regulate or endorse irrigation or landscape products or companies. The irrigation equipment manufacturers listed are presented as a reference for irrigation control technologies that meet PWB program rebate specifications. Equipment from other manufacturers may also qualify. This list is provided as a service to customers and contractors, and is not intended to comprise a complete list of products meeting performance specifications.
