

# Portland Water Bureau **MULTIFAMILY TOILET & URINAL REBATE**

Replacing older toilets and urinals is a great way to save water and money! The Portland Water Bureau is offering a **\$50 rebate** for replacing old toilets and urinals with high-efficiency WaterSense-labeled models. **Apartment buildings, condominiums,** and other **multifamily properties** are now eligible for up to 20 rebates per active domestic water account.

## Toilet Rebate Eligibility & Requirements

- Property must have an active Portland Water Bureau drinking water account in good standing.
- Applicant must purchase a WaterSense-labeled tank toilet, urinal or an approved flushometer high-efficiency toilet.
- Applicant must recycle the old toilet or urinal at an approved recycling center.
- Limit of 20 toilet or urinal rebates per account. Each rebate is worth \$50.
- No more than 60 rebates per organization per program year.
- Rebates are available on a first-come, first-served basis. The program will end when funds are depleted.
- Rebate applications for more than \$600 must include a completed W-9 form.
- Applications must be received within one year of purchase date.

### Look for the Logo

Only WaterSense-labeled toilets are eligible for the \$50 rebate. Watersense-labeled fixtures are 20% more efficient than average products in that category and perform as well or better than their less efficient counterparts.

## Follow These Steps to Obtain Your Rebate:

### 1 Select eligible toilets or urinals:

- **WaterSense-labeled tank style toilets or urinals.** A complete list of approved models can be found at [www.epa.gov/watersense](http://www.epa.gov/watersense).
- **Flushometer (commercial) style toilets** that flush at 1.28 gallons per flush or less AND are indicated by the Maximum Performance Test standard to exceed 350 grams of waste removal are eligible. The results of the Maximum Performance Test Standard can be found at [www.map-testing.com](http://www.map-testing.com).

### 2 Save receipts.

A copy of the dated sales receipt (or invoice) is required.

### 3 Install new toilets or urinals.

The toilets or urinals **must** be installed at the property associated with Portland Water Bureau account. Random inspections may occur.

### 4 Recycle old toilets or urinals and save receipts.

Old toilets or urinals **must** be recycled at one of the approved recycling centers (*listed at right*). Be sure to get a receipt for the recycling.

### 5 Complete and sign Toilet & Urinal Rebate Form

 (see reverse).

#### Attach the following:

1. Toilet & Urinal Rebate Form (completed and signed).
2. Sales receipt or invoice (a copy is acceptable).
3. Proof of recycling.
4. W-9 Form if project rebate will be more than \$600.
