### **TRAFFIC ADVISORY 06/04/13: Tillamook Street down to a single lane due to construction**

PORTLAND, OR -- Sewer construction is scheduled on N Tillamook Street, between N Interstate Avenue and N Kerby Street. The one lane closure will take place starting Wednesday, June 5 through Friday, June 7, during working hours, 7:00 a.m. to 5:00 p.m. There may be short-term parking restrictions while large trucks move through the area.

Flaggers will guide motorists through the one-block construction zone. Drivers are encouraged to use alternate routes to access local businesses on N Tillamook Street.

The Interstate Renovation Project, which is rebuilding Portland Water Bureau facilities, will impact the right-of-way in order to connect to a sewer line. The work will be performed by contractors, Hoffman Construction Company and Konell Construction Co. Inc.
