One lane of SW Terwilliger Boulevard at SW Nebraska Street closed this week

Portland, OR-- A Portland Water Bureau water main installation project will impact one traffic lane on SW Terwilliger Boulevard, between SW Nebraska Street and SW Capitol Highway for two weeks, starting November 5, 2014.

Approximately 600 feet of the northbound lane of SW Terwilliger Boulevard will be closed from 7:00 a.m. to 3:00 p.m. on Wednesday, November 5. The closure is scheduled to end at 3:00 p.m. on Friday, November 7. All lanes of traffic will reopen for the weekend.

Final road restoration on this same stretch of SW Terwilliger Boulevard is slated to begin on Monday, November 10 and continue through the week, under dry weather conditions. Grinding and paving will alternate between the southbound and northbound lanes.

Motorists and bicyclists are urged to use alternate routes, remember to drive slowly, and exercise caution when traveling in the construction area.

Project information can be found online at www.portlandoregon.gov/water/swcarolina.
