Water main work will close northbound lane of SW Terwilliger Blvd., north of SW Capitol Hwy. this weekend

Portland, OR - A contractor for the Portland Water Bureau will work this weekend on the traffic island at SW Terwilliger Boulevard and SW Capitol Highway. The work will begin on Friday, November 21 at 6:30 p.m. and run through the weekend, during both daylight and nighttime hours until it is completed.

The northbound lane will be closed for approximately 200 feet and flaggers will direct traffic around the construction zone. The night work is necessary in order to maintain two lane access to Oregon Health Science University hospital during weekdays as required by the Portland Bureau of Transportation.

Motorists and bicyclists are urged to use alternate routes, remember to drive slowly, and exercise caution when traveling in the construction area.

Project information can be found online at www.portlandoregon.gov/water/swcarolina
