SW Market Street Closed between SW 11th & SW 12th Avenues on Sunday, July 26 for New Water Service Install

PORTLAND, OR -- One block of SW Market Street between SW 11th and SW 12th avenues will be closed to traffic from 8 a.m. to 5 p.m. Sunday, July 26, 2015.

Traffic will be detoured to SW Columbia Street.

The Portland Water Bureau will be installing a new water service for a building on the north side of SW Market Street. Work will consist of trenching across SW Market Street to connect the new service to an existing water main.

Motorists are reminded to stay alert and use caution as traffic may suddenly stop when traveling from Interstate 405 to the SW Market Street off ramp from US 26. Alternate routes are encouraged for motorists to avoid traffic delays.

The Portland Water Bureau provides the highest quality water, customer service and stewardship of the critical infrastructure, fiscal, and natural resources entrusted to our care. We enhance public health and safety and contribute to the economic viability and livability of the Portland metropolitan region. We are a recognized leader among water service agencies across the country.
