Night Work Reduces Section of SW Macadam Avenue to One Lane Each Direction Overnight Nov. 3 – Nov. 20

Portland Water Bureau crews will begin night work on **SW Macadam Avenue between SW Nevada Street and SW California Street on Tuesday, November 3 and complete on Friday November 20.** To minimize traffic disruptions, the work will begin at **8:00 p.m. and be complete by 5:00 a.m. each day.** During construction, SW Macadam Avenue will remain open in both directions but traffic will be reduced to one lane in each direction. Some turning movements could be restricted. As with any construction project, safety is the first priority. Please obey flaggers and all construction signs.

Project Information:

The Hannah Mason Pump Station is being built to replace the aging Fulton Pump Station on SW Nevada Street. Work began in March 2015 and will continue into fall of 2016. The Water Bureau is working closely with Portland Parks & Recreation and other local agencies to coordinate this project with ongoing operations and other projects in the area. Neighbors, local businesses and other stakeholders are updated as work progresses.
