NW Saltzman Road Water Main Replacement Project

A contractor for the Portland Water Bureau will begin installing 1,570 feet of new water main along Northwest Saltzman Road on April 3. The project will take approximately 90 days.

This project will replace the leaking two-inch galvanized water main with a two-inch high-density polyethylene pipe to strengthen the water supply system for the area.

As the road is very narrow, NW Saltzman Road-including the Forest Park Lower Saltzman Trailhead-will be closed to all motor vehicles, pedestrians, and cyclists except resident traffic during construction hours, from 7 a.m.

to 6 p.m., Monday through Friday.

Alternative trailheads include Maple Trail, Leif Erickson Drive, and Wildwood Trail.

For more information on the project, visit www.portlandoregon.gov/water/nwsaltzman.

In compliance with Title VI of the Civil Rights Act and Title II of the Americans with Disabilities Act, it is the policy of the City of Portland that no person shall be denied the benefits of or be subjected to discrimination in any City program, service, or activity on the grounds of race, color, national origin, or disability. To help ensure equal access to City programs, services and activities, the City will provide reasonable translation and interpretation services, and will reasonably modify policies/procedures and provide auxiliary aids/services/alternative formats to persons with disabilities. Please notify us in advance of scheduled events if accommodations or translations are needed. To make requests, file complaints, or for additional information, please contact Water Bureau Public Information at 503-823-7404, use City TTY 503-823-6868, or use Oregon Relay Service: 711 or visit the City's Civil Rights Title VI & ADA Title II website.
