

# Home Plumbing Can Add Lead to Your Drinking Water

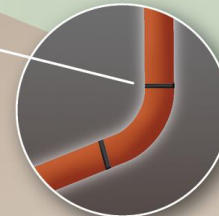

**✗**  
**MAY CONTAIN LEAD**

## Faucets and Fixtures

Faucets installed before 2014 could contain leaded brass.

## Lead Solder

Lead solder was commonly used to join copper pipe before 1985.

**LEAD FREE**

## Water Main

Portland Water Bureau never used lead pipes in the water mains.

## Lead Pigtails

Used prior to WWII. All known pigtails removed by 1998.

## Service Lines

Portland Water Bureau never used lead pipes for the service line.

## Water Meter

Portland Water Bureau uses lead-free meters.
