

WHAT'S HAPPENING NOW

Tours are happening now! In fact, you can take a virtual tour online, right now. No need to lace up your hiking boots and put on a safety vest or hardhat. Just sit back, grab your mouse, and take your time visiting the site. You can see videos and photos of current activities, learn about the project design, and see historic photos and illustrations of the finished project, all from the comforts of home! To start the virtual tour, visit the project webpage or click [HERE](#).

CONSTRUCTION SITE TOURS

Speaking of tours, if you would like a more interactive experience you can sign up for an in-person tour. This is your opportunity to learn about construction methods, future activities, schedule, and much more. Tours will be led by the project manager and principal engineer.

Who Can Attend: Adults and children over 10 years of age are welcome to register. All attendees should be prepared to navigate stairs, elevation changes, rough and uneven surfaces, and walk and stand for more than an hour.

Tour Information: Tours will be conducted Saturday, July 21, 9:00 a.m. – 10:00 a.m. and 10:30 a.m. – 11:30 a.m. There is room for 20 people per tour. **Each person must register separately** to attend a tour. Slots will fill quickly, so register now!

9:00 a.m. – 10:00 a.m. register at <http://evite.me/K91WznUFFc>

10:30 a.m. – 11:30 a.m. register at <http://evite.me/JNwf6fVuvb>

Come prepared for the day. Be sure to wear closed-toed boots or sturdy shoes and weather appropriate clothing. Safety vests and hardhats will be provided.

THIS PAST MONTH

To see photos and learn more about activities on-site over the past month, check out the monthly update [HERE](#).
