

# SW Broadway Regulator Replacement Project—Traffic Restrictions

Saturday, September 22, 8 a.m.—11 p.m.

**The intersection of SW Broadway Dr., Davenport St. and Davenport Ct. will be closed to all traffic.** Limited local access will be allowed along sections leading up to the intersection. Limited access means traffic with destinations along the road leading up to the construction will be allowed in, but there will be no through traffic allowed through the intersection.

Access out of Davenport Ct. will be allowed to exit west (left) onto SW Broadway Dr. and enter back along the same path.

Contact Rhetta Drennan at [Rhetta.Drennan@portlandoregon.gov](mailto:Rhetta.Drennan@portlandoregon.gov) or 503-823-3028 for further information or with questions.
