

WHAT'S HAPPENING NOW

SW Sacajawea Boulevard will reopen by the end of today, September 27.

The tower crane is up and running. You may have noticed it, it does tend to stand out.

You can learn more about the tower crane [HERE](#).

To see photos and learn more about activities on-site over the past month, check out the monthly news [HERE](#).

VIRTUAL TOUR

You can see videos and photos of current activities, learn about the project design, and see historic photos and illustrations of the finished project, all from the comforts of your own home! Start the virtual tour on the project webpage or click [HERE](#).

DID YOU KNOW?

September is National Preparedness Month!

At the Portland Water Bureau, we work daily to harden the backbone of our water system and build storage to be resilient in a natural disaster and last for generations. In an emergency, everyone has a role to play. What's your role?

One very important way to prepare for emergencies is to keep enough clean water on hand in case our water system is damaged. See how your neighbors prepare by storing water at www.portlandoregon.gov/water/preparedness.
