RE: Tennis Court Tank, 12475 N. 22nd Place, Portland, OR 97217

This is to declare that the property listed above is no longer needed for the Portland Water Bureau system and has been declared surplus. Internal studies by engineering and operations have confirmed this decision. They have recommended that the Water Bureau disposes of this property. I concur with this proposal to declare it surplus and recommend to dispose of this in accordance with the Surplus Disposition and Notification Policy. Your concurrence to this recommendation is needed. Once you concur, the Water Bureau will notify the city bureaus and council offices that this property is surplus and available for acquisition.

Thank you,

Michael Stuhr, P.E.

Water Bureau Administrator
