

WHAT'S HAPPENING NOW

Crews continue to prep and pour foundation slabs and wall sections. To see the July 2019 updates with information and photos of work performed over the past month, click [HERE](#).

You're Invited: August Tours

Go behind the scenes and check out the amazing work happening at the reservoir. A project team member will be on hand during the tour to share information about construction methods, upcoming activities and much more.

Tour Information—Saturday Aug. 10

9–10 a.m. <http://bit.ly/WashTour199> | **10:30 – 11:30 a.m.** <http://bit.ly/WashTour191030>

- Max. 20 people per tour. *Each person must register separately* online.
- Ages 10 and up.
- Half-mile walking tour includes stairs, slopes, rough and uneven surfaces.

Questions? Interpretation or accommodation request?

Katy Asher, 503-865-6054, katy.asher@portlandoregon.gov

Pour Schedule

Quickly check pour schedule on the project webpage, which is update as information becomes available. You can visit the webpage [HERE](#).

Pours can begin as early as 3:00 a.m. and will typically continue into the late afternoon. Concrete trucks will be arriving about every five minutes throughout the process.

See how the elements of the new reservoir fit together within the footprint of the historic reservoir [HERE](#).
